PRODUCT FEATURES
Introducing the Aquamine® system. Aquamine is a complete line of high impact resistant, reusable PVC pipe, fittings, valves and specialty items. Because of its superior strength and flexibility as well as other critically important features, Aquamine has become one of the leading products in its field, consistently providing the competitive edge in efficiency and productivity.

With expanded industrial applications in construction, agriculture/irrigation and mining, Aquamine is available through a network of helpful, knowledgeable distributors worldwide.

### THE PRODUCT

- Synthetic rubber o-ring provides chemical resistance for a wide range of services
- High impact resistant PVC pipe and coupling provide strong piping components
- Spline assembly combines maximum strength by engaging into grooves in both the coupling and the pipe
- Thickened pipe end provides joint reinforcement and security

## FEATURES AND BENEFITS

<table>
<thead>
<tr>
<th>Features</th>
<th>Benefits</th>
</tr>
</thead>
<tbody>
<tr>
<td>Low Cost</td>
<td>Lower total installed cost compared to most other types of piping systems.</td>
</tr>
<tr>
<td>Easy to Install</td>
<td>Lower total installed cost compared to most other types of piping systems.</td>
</tr>
<tr>
<td>Lighter Weight</td>
<td>Easier to handle and to move in tight spaces.</td>
</tr>
<tr>
<td>Reusable</td>
<td>Economical</td>
</tr>
<tr>
<td>Rust-free</td>
<td>Low maintenance and the flow rate does not deteriorate over time.</td>
</tr>
<tr>
<td>SDR Sized Pipe</td>
<td>Reliable</td>
</tr>
<tr>
<td>Self-restraining joint</td>
<td>No exterior restraints or thrust blocks.</td>
</tr>

## PIPING, SIMPLE TO INSTALL. VALUE, DIFFICULT TO MATCH.

The ideal piping system for applications where...
- The piping must be re-deployed
- Corrosion resistance is required
- The speed of installation is essential
- Pipe sections must be hand carried

**Typical applications**
- Temporary water bypass lines
- Mine water supply and discharge
- Acid wastes
- Heap leaching
- Dewatering systems
- Coal prep plants
- Brine solution transport
- Sludge and slurry lines
- Dredging
- Crop irrigation
- Horizontal directional drilling
- Timber wet deck systems
- Overland restrained joint piping
- Potable water systems
- Emergency piping
- Golf course irrigation
- River and creek crossings
Aquamine products are sold through a network of Aquamine distributors located throughout the United States.

For information on the distributor near you, please call:

1-800-637-0117

Internationally, Aquamine products are available through:

**Victaulic World Headquarters**
P.O. Box 31 • Easton, PA 18044-0031
4901 Kesslersville Road • Easton, PA USA 18040
Phone: 610/559-3300 • FAX: 610/250-8817

**Victaulic Company of Canada**
Canadian Headquarters
65 Worcester Road • Rexdale, Ontario • Canada M9W 5N7
Phone: 416/675-5575 • FAX: 416/675-5565

**Victaulic International**
