Atlantic Hawk – Canada – Atlantic Towing – FiFi system

Seaspan Log Barge
– Canada – Seaspan
– Ballast, lube oil system

Hai Yang Shi You 681 – China
– China Oilfield Services Limited
– FiFi System, Cement

Smit Sakhalin – Russia – FEMCO – Ballast, Bilge, Sea & fresh water cooling, FiFi, Dry bulk system, Sewage and vent lines

Terry Fox – Canada – Canadian Coast Guards – Fire main, sprinklers, bilge system, ballast system, fresh and sea water system

Louis S St Laurent – Canada – Canadian Coast Guard – Fire main, bilge system, ballast system, fresh water piping, sewage system

John P Tully – Canada – Canadian Coast Guard – Fire main, bilge system, ballast system, fresh water piping, sewage system

Samuel Risley – Canada – Canadian Coast Guard – Fire main, bilge system, ballast system, fresh water piping, sewage system

Ann Harvey – Canada – Canadian Coast Guard – Fire main, sprinklers, bilge system, ballast system, fresh and sea water piping

Island Enforcer – Norway – Island Offshore – Fresh water cooling, chilled water, ballast, fuel oil

Stril Polar – Norway – Simon Møkster Shipping AS – 24" FiFi System, fresh water cooling, chilled water, ballast, fuel oil, drill water, bulk handling systems

OIG Giant II – Lloyd Werft – Fresh water cooling system

McFarland – US Army - installation of the diesel injectors

Zeefakel – Dutch Navy - Sewage lines
