

COMMERCIAL CONSTRUCTION

ABOUT US

After seeing success in World War I with the use of Victaulic couplings on water and fuel pipelines, the company quickly transitioned into other markets, including commercial construction. Today, Victaulic offers complete product solutions for heating, cooling and potable water piping systems.

BENEFITS

- ▶ PROVIDES SYSTEM DURABILITY
- ▶ IMPROVES SPEED OF INSTALLATION & EASE OF MAINTENANCE
- ▶ INCREASES JOBSITE SAFETY

APPLICATIONS

OFFICE BUILDINGS

STADIUMS AND ARENAS

SCHOOLS AND UNIVERSITIES

HOSPITALS
